

School and district goals with Nearpod

This template is designed to help you understand how Nearpod can support your school and district goals.

By connecting your teaching experiences and Nearpod knowledge with specific initiatives, you can demonstrate how Nearpod aligns with your school's priorities and make a strong case for purchasing a school or district license.

Personalize your case: We've included an example to get you started. Use the blank rows to add your own initiatives, Nearpod support points, and any additional resources for your decision-maker. Tailor these to your school's unique goals to create a compelling case for how Nearpod can support your school or district achieve these objectives.

Examples of school/district initiatives: Improve math scores, improve literacy learning outcomes, enhance Multi-Tiered System of Supports (MTSS), boost student engagement, etc.

EXAMPLE		
Initiatives	How Nearpod can support	Resources
