

# Become a Nearpod Certified Educator

Distinguish yourself by becoming a Nearpod Certified Educator! Connect with a community of other Nearpod Certified Educators, grow as an edtech leader, and receive extra support and resources from Nearpod. Learn more about the perks of being a Nearpod Certified Educator [here](#).

## Requirements for becoming a Nearpod Certified Educator:

- Learn: Attend a Nearpod Webinar
- Create: Create and submit a Nearpod lesson meeting the [requirements](#)
- Teach: Complete Nearpod activities with your students

In this article, we will look at the 3 steps to become a Nearpod Certified Educator!

*\*You can complete the 3 requirements in any order*

*\*\*You do not have to be a classroom teacher to become an NCE. Instructional coaches, admins, and more are invited to become an NCE. If you do not have a class, you can complete the third requirement by having other people join your sessions.*
