

Nearpod Certified Educator Program

Build: How to submit an original lesson

Here, you will demonstrate a mastery in creating and editing with Nearpod by submitting an original lesson. This requirement is designed to help you explore all the media and activities Nearpod has to offer.

Lessons must meet the following criteria:

- Be created within **the last 30 days**
- Contain at least **3 interactive media**
- Contain at least **3 activities**

Lessons that meet the criteria will automatically appear on the right-side. If you don't see any of your lessons then it may be missing one or more of the criteria
