School Library Spotlight

School Name:
Chasco Middle School

District Name:
Pasco County School District

Location:
Port Richey, FL

Challenges
- Limited overlap in planning periods
- Few opportunities to meet in person

How it started
A teacher and intern were looking for a way to communicate and collaborate even when they weren't together. They started adding their lessons to the school library and let the other know to check it out!
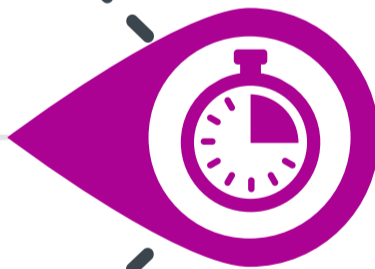

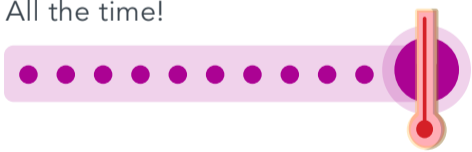

THEN

Today...
School Library acts as virtual PLC time because they can share what they're doing without having to meet face to face.
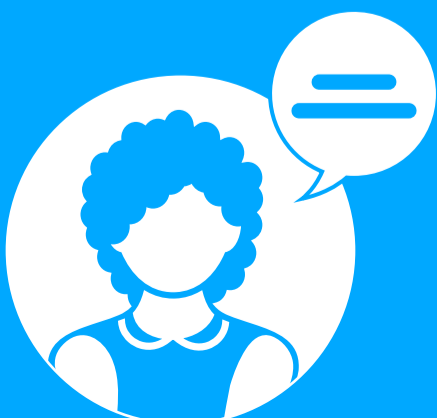

NOW

Frequency of use
All the time!

Benefits
- Collaborate virtually
- Keep up to date with what other teachers are working on
- Leverage material created by trusted peers

TESTIMONIAL

School library is an excellent resource to pull ideas and share feedback and check in on what other teachers are working on. It's a great way to collaborate.
